# CERTIFICATE OF DISINFECTION

**All items must be disinfected before shipment.** This certificate serves as proof of disinfection. Any items arriving at qualified / Sentec authorized service personnel or your local Sentec representative lacking this certificate or accompanied by an improperly issued certificate will be disinfected at the sender's expense without prior notice. The sender will be held liable for any harm attributed to improper disinfection.

For disinfection instructions, please refer to HB-010143 "Cleaning and Disinfection Agents" and the sub-section "Cleaning and Disinfection" in the Technical Manual for the SDM, both available on www.sentec.com/ifu.
