We are hiring a

Technical Writer (f/m/d) For our subsidiary in Rostock, Germany

Key tasks

- Design and create product documents (operating instructions, package inserts, labels)
- Coordinate and reconcile labeling with internal and external stakeholders
- Creation of step-by-step instructions for the operation of Sentec devices
- Coordinate and organize translation of documents

Our offer

- Meaningful work on products that are life saving or support the therapy of patients in an effective manner
- Flat hierarchy, truly interdisciplinary working community
- Opportunity to contribute ideas, speak up and take decisions

Your profile

- Distinguished writing and communication style
- Experience as technical writer or similar position preferably in a medical environment
- Ability to explain complex technical content in an understandable way
- Education in communication and/or degree in technical writing
- Fluent in English and German, other languages are a plus

Would be great to meet you and to explore whether your plans and ideas may be concurrent with ours!
You can call us or contact us remotely at jobs@sentec.com.

Sentec Europe, Therwil Switzerland, Corinne Gueldali, +41 61 726 97 66.
