

# SenTec Management

Dominik Ellenrieder

President of the Board

Dominik Ellenrieder held executive positions in R&D, product management, sales force and sales subsidiaries management and general management at STRATEC Medical – a world leading company in orthopaedics and trauma. He was one of the core team who participated in the MBO in 1990, in the IPO on the SWX in 1996 and in the strategic sale to Synthes in 1999. He has held executive positions in marketing and product management at Straumann in the late 80's, a company which is a world leader in fracture treatment, dental implants and metallurgy. Prior to that Dominik held several positions in sales and finally served as Head of International Sales at Protek AG, a joint replacement company (Sulzer Medica, Zimmer).

Dominik Ellenrieder was on the board of directors of Straumann until early 2014, and is currently Chairman of the Board for Sentec and QGel and a Vice President of the Board at Medartis and Kuros. He has also been an Operating Partner at Endeavour Vision since 2007.

He graduated in Economics from the University of Basel and then completed an MBA at GSBA in Boston, USA.
